

What is Splendour?

SPLENDOUR is a lightly perfumed, silicone and wax-based polish which cleans and shines all polished wood, rubber, plastic, metal and ceramic surfaces that are not water-sensitive.

Key Benefits

- ✓ Cleans and shines hard surfaces
- ✓ Glossy protective finish
- ✓ Lightly perfumed
- ✓ Silicone and wax-based polish
- ✓ Water resistant finish

How Does It Work?

SPLENDOUR is a lightly perfumed, silicone and wax-based furniture polish which waxes, cleans and polishes in one easy spray-wipe application.

For Use On...

SPLENDOUR cleans and shines all vinyl, plastic, metal, water-resistant polished wood and ceramic surfaces found in the office and in the home – vinyl chairs, chrome trim, filing cabinets, counters, tables, polished woods furniture and so on. SPLENDOUR is *not* for use on French polished timber surfaces.

Technical Data

Composition

Silicone polish compound and polyethylene waxes to provide a water-resistant, smear-proof gloss finish plus leveling agents, perfume and detergents for cleaning power.

Properties

COLOUR – Yellow opaque liquid
 ODOUR – Spicy perfumed fragrance
 pH = 6.1 – 7.3
 FOAM – Silicone and wax

Environmental Care

SPLENDOUR conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SPLENDOUR is non-flammable, phosphate-free and biodegradable. SPLENDOUR containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
SPLENDOUR	Yellow	8	Furniture Polish

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Application

Spray or wipe SPLENDOUR onto surfaces, then just spread, wipe off and buff with a soft, clean cloth. This will leave the surface with a glossy and protective finish.

Avoid over-spraying SPLENDOUR onto floors where it could cause a slippery surface.

Disposal Information

1. Used solutions -

Used Solutions of SPLENDOUR should be poured into a drain or trough that leads to the sewer system or a septic tank. These systems have a method for treating and breaking down the waste. Used solutions of detergent should not be poured into stormwater drains or down driveways as these drains are designed for rainwater and ultimately lead to the local river system.

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.

Product Data Sheet

Product Code: SPRU

Issued: June 16, 2026

2. Unused product

It is best to keep the product and use it up! If this is not possible, try to give it to someone who can use it. (Make sure the product is in its original, labelled container).

If there is no alternative but disposal, it is safe to pour modest quantities of this product down the drain (to sewer) with running water. Leave the cold tap running for a few moments afterwards as this dilutes the product and reduces the concentration in the wastewater.

Remember, do not mix different cleaning products together during disposal!

3. Empty packaging
Bottles and drums

Our 5L and 20L bottles and drums are made from HDPE (polyethylene) or PET which can be recycled. You can dispose of these containers via the kerbside collection program or other recycling system. SPLENDOUR containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd, significantly reducing plastic usage and waste.

Cardboard cartons

Used boxes should be flattened and recycled in OCC (old, corrugated cardboard) or mixed wastepaper recycling programs.

Available in: 1L, 5L

Dispensing Accessories:

500ml Spray Bottle – Code D08

Trigger 500ml Bottle Plain Blue/White – Code DTR

Hand Pump for 5L Bottle (30ml/Stroke) – Code DHP30

Tap in Cap 5L – Code DTC5
